Subject: Update on Viwentiaa 2026 Preparations

Respected Sir/Madam,

I am writing to provide an update on the preparations for KLH Bachupally's annual tech-fest, Viwentiaa 2026.

So far, our organizing committee has completed the initial planning, assigned responsibilities to team members, and started coordinating various technical and cultural events. We have also begun preparations for publicity, participant registration, and venue arrangements.

Currently, we are working on finalizing the event schedule, confirming the required equipment, and coordinating with the respective teams. Some tasks, such as completing the promotional activities and finalizing the arrangements, are still in progress.

We expect to complete all the remaining preparations before the event. We will continue to monitor the progress and ensure that everything is organized smoothly.

let us know if there are any additional instructions or suggestions.

Kindly

Thank you for your guidance and support.
yours sincerely

Yuvaraj
